3. Review Agenda
4. Approval of March 17<sup>th</sup> EC Meeting Minutes – Motion to approve by Tim Robards, 2<sup>nd</sup> by Karin Linnen, Motion (minutes) approved.
5. Chapter Reports

Bay Area (Dave Bakke) – Since last CalSAF Executive Committee meeting – April meeting with friends of Sausal Creek looking at their restoration practices in the watershed. Cold water creek supporting trout. Had about 7 members there. May meeting with EBMUD and Moraga-Orinda Fire District looking at results of implementing North Orinda Shaded Fuelbreak as well as removal of Monterey pine mortality on EBMUD lands. About 10 members present. June meeting will be next week and will be a briefing on the Greater Ross Valley Shaded Fuelbreak in Marin (virtual Zoom) on June 14<sup>th</sup>. The Chapter is developing a letter in support of shaded fuelbreaks, utilizing SAF position statements and research articles; goal is to send one to Marin County Fire Authority to counter misinformation they are receiving from others.

SoCal (John Todd) – Tamara has transitioned with John Todd on the chapter’s financial business. Working on a future meeting. Mentioned an article in today LA Times re a USFS thinning project in the Big Bear area.
6. National SAF Board of Directors Report (Todd and Emily Uluwehi Thyroff) – Emily introduced herself and mentioned a couple of student events, including the convention. John’s notes: ***Introducing Emily Thyroff***  
*I am happy to let our Student Executive Committee representative from D3 introduce herself to the Executive Committee. Emily has already lived and studied in many areas of the United States. She is currently completing her Ph.D. at the University of Hawai’i at Manoa, studying native forest restoration and regeneration. Emily has agreed to serve on the SEC for a second year. Thank you, Emily!*  
***SAF Merger with #forestproud***  
*On June 6, 2022, SAF announced a merger with the communications platform #forestproud. All members received an email on June 6 that included a press release and FAQs. You can find additional information in the latest version of the E-forester. Members can learn about the benefits of the merger by registering for a Q&A Session with SAF CEO Terry Baker and #forestproud Director TJ Struhs that will take place on June 14 at 4 pm ET.*  
***Nominations for Young Professional Board Member***

*District 3 is seeking a candidate to nominate for the Young Professional Board Member. To be eligible a member must be a college graduate, in good standing, and under 40 years of age. One candidate will be selected to be a non-voting member of the Board of Directors. Nominations are due by August 15. Please let me know if you are interested in this position.*

### **Membership**

*Membership numbers are at 9,322 as of April 30, 2022. We have 399 new members (159 reinstated and 240 new). In 2021, our new member numbers were 273. In 2020, our new member numbers were 194. Hopefully, these positive membership trends will continue going forward. The Moery Company has completed their comprehensive analysis of SAF's membership. To review the results of their work please go to: [2021 SAF Membership Portfolio Review.pdf](#)*

### **2022 National Convention**

*The 2022 SAF National Convention will take place in Baltimore, Maryland, from September 20-24, 2022. Registration is open. Early-bird registration rates are available through July 15. Field trips are available so you can get out and see the surroundings.*

### **SAF CEO and Officers Remain Busy Attending State Society Meetings**

*SAF CEO Terry Baker, President Chris Maisch, Vice-president Sam Cook, and Past President Gene Kodama have been getting out and attending several state society meetings and events. The National Office has also been very active. Recent efforts included releasing a statement in support of President Biden's Executive Order on Strengthening the Nation's Forest, Communities, and Local Economies, participating in the development of SFI's new standard for urban and community forests, and signing a letter urging increased support in FY 2023 for the Forest Service's Wood Innovation Grant program.*

### **US Capitol Christmas Tree**

*After last year's successful campaign as a sponsor for the US Capitol Christmas Tree, SAF has signed an agreement with Choose Outdoors to participate again in 2022. This year's tree will come from a National Forest in North Carolina.*

John emailed the EC Robert's Rules of Order and anti-trust rules.
