

Forestry & Natural Resources Career Mentorship Program

The program provides mentoring & professional development resources to students pursuing a career in forestry & natural resources. Juniors and Seniors enrolled in a forestry program at **UC Berkeley, Cal Poly SLO, Cal Poly Humboldt, Bakersfield College, Shasta College, Reedley College, or College of the Redwoods** are encouraged to apply.

Apply at www.clfa.org/mentorship
by **September 25th, 2022**

Mentor-Mentee pairings are based on **shared interests, experiences and career goals**. The program was formed with goal of **diversifying the field** and recognizes that personalized mentorship can help individuals from traditionally underrepresented groups, including women, BIPOC, and LGBTQIA+ individuals, build a successful career in forestry.

The program will run from **October 2022 to June 2023** with the expectation that mentoring pairs meet monthly (in-person or virtually).
