

Forestry Professional Guides and Presenters are Needed

FOREST CONSERVATION DAYS September 24-29, 2023

Your help is needed to guide trail walks or provide and staff a stationary exhibit

Schedule: Exhibits setup and Guide Orientation on Sunday, September 24, 1:00pm. Monday through Friday September 25-29 9:00am to 3:00pm guided presentation to 4th-grade children each day

This SAF-sponsored event is an outdoor classroom for students to explore the web of life as they are guided on a trail walk by a professional forester through the beautiful, actively managed outdoor landscape near Giant Sequoia National Monument and Kings Canyon National Park. This year 4th-grade school children will encounter interactive educational stations focusing on fish and wildlife, tree nurseries, sustainable wood products, forest fire science, forestry equipment, archaeology and more!

Trailer Camping Sites and Cabins will be available. Prepared meals will be provided Sunday evening through Thursday morning.

Location: Sequoia Lake YMCA Camp near Miiramonte California

Please sign up as a volunteer professional guide/presenter now by submitting a registration form to:
